A LOTUS IS BORN IN MUDDY WATERS,
BUT RISES AND BLOOMS ABOVE THE MUCK

॥ अनंत गुणोना स्वामी श्री वासुपूज्यस्वामिने नमः ॥

OUR JOY KNOWS NO BOUNDS!

Our beloved daughter / sister Nisha, the light of our life, is embarking on a spiritual journey to Moksha; her first step being the renunciation of worldly possessions and desires in the form of accepting diksha. She is the first from our family, generations past and present, to venture on this spiritual path. It is a matter of great pride and joy to have such a soul amongst us!

With the blessings of Tirthankar Bhagwan and our Gurus, we feel extremely fortunate to be able to have the diksha ceremony at Sammetshikharji, Jharkhand on Sunday January 18, 2015.

Sammetshikharji is the place where 20 of the 24 Tirthankars attained Moksha through meditative concentration. Thus it is alive with the most positive and holy vibrations.

Please join us to celebrate this momentous occasion. We would be truly honoured and privileged by your presence at this single most important event in our life!
