## Pune Chapter proposes “Green Homes”

We are pleased to inform you, that we have undertaken our 2nd event of JES Pune Chapter. Following report will provide you a glimpse of the event which featured a workshop on “Working together, being together” and informative session on “How safe is your kitchen Gas.” Following is the brief report of the event.

As earlier program, all members gathered at the venue for the event which was organized in SHND Jain Boarding, Pune. Everyone actively took the opportunity to start the day and event with blessing of Mahavir Bhagwan in the mandirji.

The program began at sharp 10.15 am as per schedule after having breakfast. Ms. Nidhi Kothari scheduled and anchored the event ensuring that all the activities were as per schedule.

Chapter President Er Navneet Pandya welcomed the speaker Ms. Nikita Jain our own member, who had voluntarily approached us for helping our members with her archive of knowledge.

All the new registered members were provided a platform to introduce themselves and their families. Everyone actively and enthusiastically shared their views and interests to participate and serve the society through JES Pune Chapter as per individual skill sets.

Then Er Pandya revisited us to some of the sweet memories of our previous event that was Installation and Inguaration of JES Pune Chapter. After the past memories, he also enlightened us for the upcoming events in the near future. Celebration of The Environmental Day, Appreciation and encouragement of members children for their Achievements and Formation of Student Chapter were the some of the key events.

Er Pandya initialized the process for conducting the National Convention in the month of January. The theme selected is Green Homes. This theme will be carried over till the convention and all events and programs of Pune Chapter will more or less be associated with this theme.

Later the microphone was handed over to the speaker, Ms. Nikita Jain. She started the workshop covering the following topics:

1. Anger Management
2. Effective Communication
3. Positive / Affirmative Thinking

It was heartwarming to see the response and active participation of members of all ages. We really thank Ms. Nikita Jain and Mr. Jain to help manage our Anger, convey our message and take actions with Effective Communication and start approaching any

situation in more positive and have affirmative results.

We use LPG cylinder for our daily use in our home, do we really know “How safe is our kitchen gas” Dr. Kishor Gholap and his team, provided basic information about the kitchen gas cylinder and demonstrated the safety measures we need to take to avoid any hazard. All the members were promised that they would follow these safety measures which will surely prove “Precautions are better than cure.”

After an eventful day, our Secretary provided the Vote of Thanks to the audience for the participation and appreciation done towards the efforts taken by the team organizing the event.

Understanding the safety associated to LPG cylinder and enthralling day of events, it was time to enjoy some delicious food. Everyone enjoyed the feast and experience the hospitality of the mess in HND Jain Boarding. The food and arrangements were well appreciated by all members

## Some true quotes—

- \* If silence is meant to be the best for all situations...then why we all get so hurt when people don't talk to us?
- \*One of the very true & greatest illusions of life is that....  
"we always believe there is more time in tomorrow than today"
- \*We work for making better tomorrow  
but when tomorrow comes  
instead of enjoying again we start  
thinking for better tomorrow.  
thts life
- \*When we were small we laughed less  
but there was infinite hidden happiness  
as we grow up we learn to laugh more to hide the unspoken  
sadness.
- \*Perfect pearl:  
remember that  
no one will understand you perfectly in life  
just give credit to those who have atleast tried to do it...
- \*A heart dies when it is not able to share its feelings..but a  
heart kills itself  
when another heart doesn't understands its feelings....
- \*Loving someone doesn't need a reason  
if u can explain why u love someone it's called 'like'  
if u can't explain it's simply called 'love'
- \*Heart melting words:  
tears will not come when u miss a person,  
it comes when u don't want to miss a person....just feel it!!!
- \*Beautiful truth against gravity:  
the heart feels light when someone is in it.  
but it feels very heavy when someone leaves it.....
- \*Sharing problems & asking for help doesn't mean that we are  
weak or incompetent,  
it usually indicates an advanced level of trust.....
- \*Walking alone is not difficult...but  
when we walked a mile with someone,  
then coming back alone is more difficult....
- \*A very nice observation:  
the world's best friends never have the same nature  
they just have the best 'understanding' of their 'differences'
- \*Don't judge a person by what other's say  
the person may be true to you but not to others  
because the same sun which melts the ice hardens the clay too..
- \*Don't feel bitter that people remember you only when they  
need you  
feel privileged that you are like a candle that comes to mind  
when there's a power failure.
- \*Truth of life:  
we make them cry who care for us,  
we cry for them who never care for us  
& we care for them who will never cry for us...
- \*Smooth roads never make good drivers  
clear sky never make good pilots  
problem free life never makes strong person  
so don't ask life 'why me?'  
say 'try me'.....
- \*You can fall in love with the personality of any one  
but remember finally you have to live with the character & not  
with the personality....
- \*Mistakes are painful when they happen  
but years later a collection of mistakes is called experience  
which leads you to success....
- \*Life is like a piano.  
shite keys are happy moments & black keys are sad moments  
but remember both keys are played together to give sweet  
music...
- \*Often we stand at life's crossroads & view what we think is  
the end.  
but GOD has much vision &  
he tells us 'relax my child' its just a 'bend'...
- \*We live in our dreams, but dreams may die.  
don't get shattered, never ever cry;  
the world is big & has lots to give  
pick up a new dream  
thats the way to live...
- \*When you feel you are alone in a crowd  
when you think no one can understand you  
when you hate your life  
just close your eyes & see her face who loves you more than  
anyone else  
who cares for you in loneliness & dies for you when you cry

she is no one but your sweet loving MOM...

- \*The best relationship is not the one which is free from  
problems & misunderstandings  
its the one where a sorry & a smile can make everything  
perfect as before...
- \*A good relation does not depend on how good understanding  
we have  
but it depends on how better we avoid misunderstandings...
- \*Care is the sweetest form of love when someone says take  
care  
it really means that you will stay in their heart till its last beat...
- \*One can cross an ocean without wetting his legs  
but  
cannot cross his love & life without wetting his eyes...
- \*Every one has a 'best friend' during each stage of life  
but only lucky ones have the same friend in all stages of life...
- \*Life is different than teacher, A Teacher teaches lesson. then  
keeps the exam. But the life keeps the exam first then teaches  
the lesson...
- \*Affection Is Not Measured When Both Take Care Of Each  
Other It Is Measured When One Ignores And The Other Still  
Continues To Care...
- \*In life, we seldom find true love if ever you find it, hold on to  
it and never let it go, for it is the only true thing in life...
- \*Thoughts lead on to purpose leads into actions form habits  
habits decide character and  
character fixes our destiny...
- \*It takes only a minute to get a crush on someone, an  
hour to like someone, and a day to love someone-but it  
takes a lifetime to forget someone...
- \*Dream what you want to dream, go where you want to go,  
be what you want to be. Because you have only one life and  
one chance to do all the things you want to  
do...
- \*Never allow someone to be your priority  
when you're just an option for them...
- \*The real art of conversation is not only to say  
the right thing at the right time, but also to  
leave unsaid the wrong thing at the tempting  
moment...

### Answer of Puzzle Point # 15 : "Distance"

**Puzzle Point # 15:** On a tree, a rope swing is hanged vertically down so that distance between its end & ground is 12" and distance between its end and tree is 48". Now same rope swing is pulled across so that it touched the tree, and its end is 20" over the ground. How long is the rope?

**Answer :** Answer is 148". Using Pythagoras' theorem, answer can be found out.

A right-angled triangle is formed where the hypotenuse is equal to X (rope's length). The base is 48". The vertical side is (X - 8)" (The difference between 20" & 12").

Pythagoras' theorem tells us that:  $a^2 + b^2 = c^2$ , Where c is the hypotenuse. So, it gives us:

$$48^2 + (X - 8)^2 = X^2 \Rightarrow 2304 + X^2 - 16X + 64 = X^2 \Rightarrow 2304 - 16X + 64 = 0 \Rightarrow X = 148"$$

**Correct answers are received from following participants.**

**Answer :** It is 412. Simply add 48+49+50+51+52+53+54+55. You will never get sum of any page number having sum of 512. (If somebody want more detailed answer pl. let me know)

**No participant has given correct answer.**

Puzzle Point # 15 : Names are displayed in order of answer received.

| Sr.No | Name of Participant | Global ID No. | City   |
|-------|---------------------|---------------|--------|
| 1     | Er. M L Nagori      | 100122        | Indore |
| 2     | Er. P L Vaya        | 100098        | Kota   |

Pl. write your Name, G.ID No., Organization, City, etc. while sending your answer. Such details will help us to identify you and compilation of correct participants for displaying their name.

## KARMA

There are eight types of Karmas

1. GYANAVARNIYA : Karma which obstruct knowledge.
2. DARSHANAVARNIYA : Karma which obstruct that form of consciousness which proceeds knowledge.
3. VEDANIYA : Karma which enables the soul to have sensations of pleasure or pain through senses.
4. MOHANIYA : Karma, the ring leader of karmas causing delusion and perverted view of self and non-self.
5. AYUH : Karma determining the length of life in a particular body.
6. NAME : Karma is responsible for physical forms, complexion, constitution etc. of the body.
7. GOTRA : Karma causing birth in high or low family.
8. AN TARAYA : Karma acts as impediment in the acquisition of objects and their enjoyment by means of senses.
9. SOME MORE THINGSTO KNOW ABOUT THE KARMA :
  - i. It is to be noted that our world is full of infinite molecules ready for being transformed into karmas, the source of soul's bondage.
  - ii. The advanced souls, equipped with balanced mental outlook stop the karmic influx and they destroy the already accumulated karmic filth by means of concentration and penance. Thus the soul enjoys perpetual bliss of liberation.
  - iii. This state of perfection is the outcome of one's own efforts. No outward agency can be depended upon to achieve the objective.
  - iv. To Jiva in Sansars desire and aversion will naturally occur. On account of these states, Karmic matters clings to the Jiva.
  - v. The Karmic bondage loads the Jiva through the four Gati of states of existence.
  - vi. Entering into the Gati, Jiva builds up its own appropriate body. Being embodied he gets the sense. Through the sense-objects, objects of the environment are pursued.
  - vii. From perception appears desire or aversion towards those objects and from desire the cycle begins again.
  - viii. Thus desire brings Karma, Karma leads to Gati, Gati means body, body implies senses, senses lead to perception and perception again to desire or aversion and so on and infinitum.

## गायें भूखी थी, अतः सब भारे खिला दिये

मैं सुणसर गांव में रहता था। वहां एक साल अकाल पड़ गया। पशुओं के लिए चारा नहीं मिलता था। एक दिन बहुत सी गायें भूख से रंभाती हुई गांव में आयीं। किसी को भी दया आ जाय ऐसी गायों की हालत थी। ठाकरडा बंधुओं ने दो-दो पूले (भारे) डाल दिये। एक आदमी ने तो पूरा गट्टा (पूलों का बड़ा बोझ) ही खोल दिया और गायों के आगे डाल दिया। मुझे लगा कि इस आदमी ने सारे पूले तो डाल दिये पर अब इसके पशु क्या खायेंगे ? मैं उसे उलाहना देने की सोच रहा था कि दूसरे ही दिन लोग चिल्लाते हुए आये, 'महाराज, उसने तो हमारे घास के पूले चुराकर अपने पशुओं को डाल रहा है।'

मैंने उसे बुलाकर खूब डांटा। 'पहले तो उसने कहा कि 'क्या मैंने किसी के पूले लिये हैं या लेता हूँ ?' पर बाद में मान गया। बोला, 'क्या करता दादा, मैं खत्री का बेटा, गायें भूख से गुहार करती आये तो मुझसे देखा जायेगा ? इसलिए कल पूले खिला दिये। फिर मेरे ढोर रंभाने लगे अतः लोगों के यहां से लाकर डाल दिये।' यह सुनकर मैं मन ही मन हँसने लगा। इसे चोरी क्या और पाप क्या और क्या पराया और क्या मेरा, लेना क्या और देना क्या - सब समान था। चोरी तो की, पर भीतर दिल साफ।
