To provide a positive learning experience for all, the following guidelines must be observed:

- Students must arrive promptly, at least 5 minutes before their scheduled classes begin. Kindly inform the school if a student is going to be absent.

- Students must maintain minimum 75% attendance by the end of the year to be promoted to next level.
- All children must be potty trained. Parents are permitted to witness the class to help the child at home. This is essential only for students 4 and below. JVB Houston may forfeit this privilege at any time if it becomes too noisy for the children to focus when parents are around.
